

***Come join us for a seminar on Geriatric Horse Care and Maintenance  
with guest lecturer Mark Donaldson, VMD DACVIM.***

Dr. Donaldson is a graduate of the University of Pennsylvania School of Veterinary Medicine. Following graduation, he completed an internship at the University of Georgia before returning to the University of Pennsylvania for an internal medicine residency. In 2005 he joined Unionville Equine Associates where he has been continuing his research into Equine Pituitary Pars Intermedia Dysfunction (PPID) also known as Equine Cushing's disease.
